Hi,

Please reimburse **USD 120.00** for one Maple Rail ticket. Passenger: Ben Demo. Purchase date: 2026-09-18.

Ticket total: USD 120.00. Category: train. Origin: New York.

I uploaded two tickets; please ask which one. I do not remember which attachment was the one I used.

Thanks,
Ben Demo

Please send your receipt. We need the specific ticket you are requesting reimbursement for.

This email is a reimbursement request, not an approval.

Thank you for your business.
